THE KIWI ECO 6 - 6.5m x 3.0m x 1.8m - 22,000 Litres

This is a pool designed for modern day sections. As land becomes a premium commodity, section sizes are getting smaller and smaller. We designed this elegant swimming pool with you in mind. We have trimmed back on size but not on functionality, we have kept to modern, stylish lines and had long hot summer days in mind when designing the Kiwi Eco 6. This pool is 100% designed for family entertainment and relaxation!

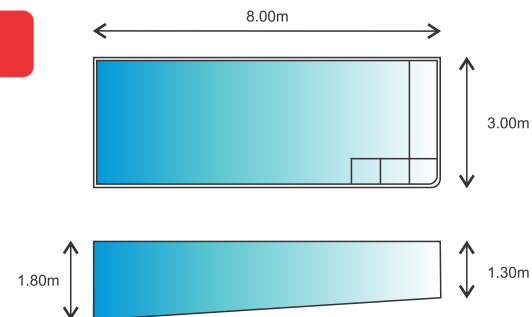

- Stylish Crisp clean lines to suit most landscape designs.**
- Large Corner Entry Steps.**
- Wide bench seat for safety and relaxation.**
- Gradual depth for fun, games, learning to swim and wading**
- Safety toe rail, non-slip steps, bench and floor.**

THE KIWI ECO 8 - 8.0m x 3.0m x 1.8m - 31,000 Litres

This pool with a slim design is made to fit unobtrusively into your landscape. The Kiwi Eco 8 is perfect for that growing family. Again this pool is designed for where space is at a premium, but you still enjoy the feeling of a larger pool. Whether it be sitting back and relaxing on the bench seat, family games or swimming, this pool has it all.

- Stylish Crisp clean lines to suit most landscape designs.**
- Large Corner Entry Steps.**
- Wide bench seat for safety and relaxation.**
- Gradual depth for fun, games, learning to swim and wading**

THE KIWI 8 - 8.0m x 4.0m x 1.9m - 44,000 Litres

This is your classic kiwi family pool. One of the most popular pool sizes in the New Zealand Market, the Kiwi 8 is perfect for creating your family's own personal oasis. Enjoy summer time whiling away the hours around the Kiwi 8, swimming, splashing, diving and having fun!

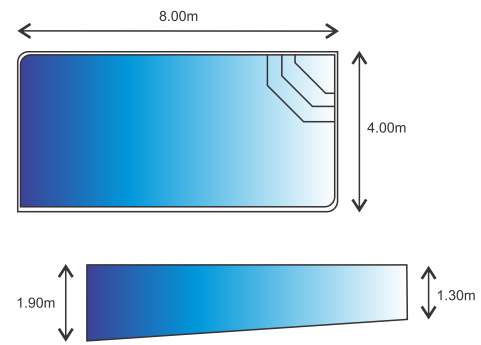

Timeless Style

Uninterrupted swimming lane

Large entry steps also double as a seating area

Gradual depth for family fun, games, learning to swim and wading

Safety toe rail, non-slip steps and floor

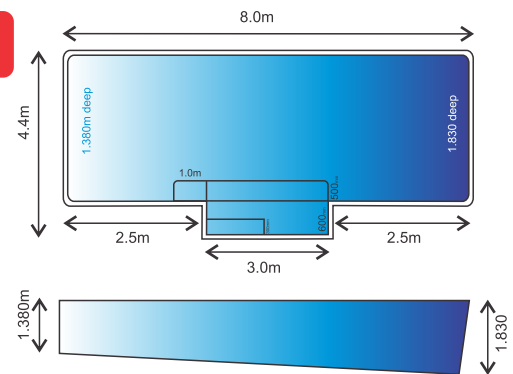

THE KIWI 8 SE - 8.0m x 4.4m x 1.830m - 45,000 Litres

The NZ Swimming Pools 8 SE (side entry) is the first pool of our side entry range. It features a large central entry and seating area. With its stylish design and generous side entry steps, this pool not only provides lots of room for playing and fun, but also gives somewhere for the younger members of your family to enjoy themselves as well.

Modern Geometrical design

Central entry steps and seating

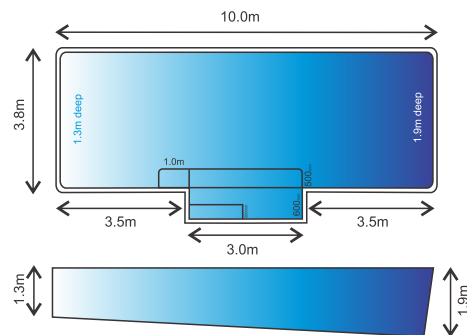

Uninterrupted swimming lane

THE KIWI 10 - 10.0m x 4.4m x 1.95m - 55,000 Litres

The Kiwi 10 has super elegant and formal straight lines. These crisp lines suite most landscapes and house designs. The Kiwi 10 also features large central steps and bench seating. At 10 metres long this is the perfect pool for growing families, exercise or relaxation.

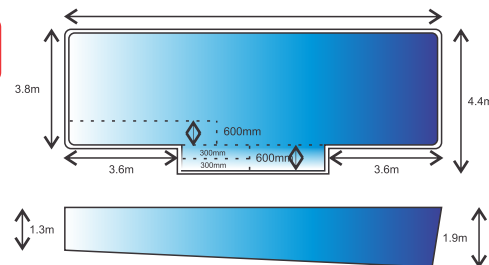

- Modern Geometrical design**
- Central entry steps and seating**
- Uninterrupted swimming lane**
- Gradual sloping floor**
- Safety toe rail right around the pool edge**
- Non-slip steps, bench and floors**

THE KIWI 12 - 12.0m x 4.4m x 1.9m - 66,000 Litres

The largest pool in our range, the Kiwi 12 has it all and will fit into even the largest of open spaces without looking lost. With its stylish design, generous side entry steps and a full bench that runs back to the deep end, this pool not only provides lots of room for playing and fun, but also gives somewhere for the younger members of your family to enjoy themselves as well.

- Timeless design**
- Uninterrupted swimming lane**
- Large entry steps which also double as a seating area**
- Gradual depth for family fun, games, learning to swim and wading**
- Safety toe rail**
- Non-slip steps and floors**

INTRODUCING A DURABLE AQUAGUARD® POOL SYSTEM THAT BRINGS VIBRANCY AND COLOUR TO YOUR NEW SWIMMING POOL

Highly UV Resistant Finish

Protects the decorative finish from the damaging effects of UV light.

Chemically Resistant Finish

Products are tested to levels much higher than Australian and New Zealand Standards for chemical fade resistance to ensure a longer lifespan for the cosmetic finish.

Excellent Water Resistance

The Nuplex Vinyl Ester chemical protection layer prevents water migration through the pool wall, reducing the likelihood of osmos.

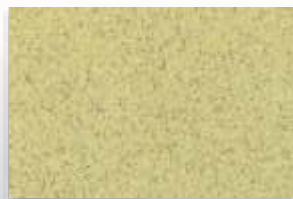

AQUAGUARD® SHIMMER

A range of striking, high performance gelcoats giving an extremely decorative and reflective finish.

These highly durable coatings exhibit outstanding weathering and fade resistance properties and contain stunning jewel highlights.

Why Should I choose a Fibreglass swimming pool?

A Fibreglass swimming pool is non-porous; this means there is very little maintenance. Fibreglass pools inhibit algae growth therefore reducing the amount of chemicals required.

The Gelcoat finish of a fibreglass swimming pool is non-abrasive and smooth to touch. With the technology available in gelcoats now, your swimming pool will remain vibrant for many years, even in the harshest of UV conditions. We manufacture our pools off-site so they are quick to install, giving you a finished result much faster than other pool-building methods.

Are your pools Salt Pools?

We largely use salt water systems - but can install whatever form of water treatment you would like, including magnesium and UV systems.

What about permits and consents?

Building Permits and in some cases resource consents are required.

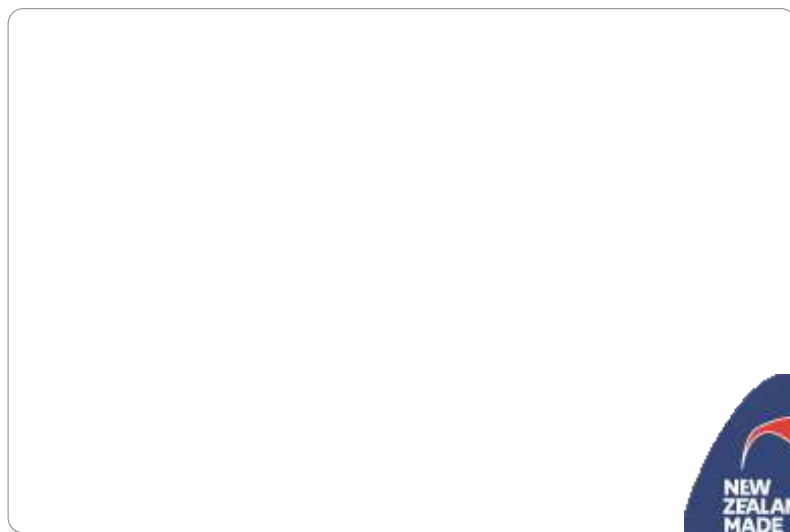

We can file for these on your behalf. This is usually a very straightforward process.

What is the process of purchasing a NZ Swimming Pool?

One of our experienced team will come and conduct a site visit. We will help you establish the best location and model to suit your landscape and your needs. We will then provide you with a full written quotation showing all the costs involved for the installation of your NZ Swimming Pool. Once confirmed, we apply for any required consents with your local council. As soon as this comes back, we will then install your pool.

With over 30 years of industry experience, you can rely on NZ Swimming Pools to provide you with only the very best, without compromise.
